ABOUT

Baltic Artists in development is a transnational independent artist community and NGO network for sustainable change within the music industry. We bring “Music industry know how”, networks, innovation and learning to the independent music scene entrepreneurs since 2019.

PARTNERS

- **MUSIKCENTRUM SYD - SWEDEN**
- **TAK BRZIMI MIASTO -POLAND**
- **UCE AGENCY - ESTONIA**
- **MUSIC EXPORT UKRAINE**
- **MALMÖ UNIVERSITY**

WITH SUPPORT FROM THE SWEDISH INSTITUTE

WHAT WE DO

- **Co-design with a bottom up design process with multiple stakeholders in the independent music business**
- **Network for knowledge exchange and personal growth throughout career**
- **Building a knowledgebank with tools for change for individuals and organisations**
- **Building an open idea bank**
- **Producing ideas and concepts that will be presented at Tallinn Music week in 2025**

WHAT WE ARE LOOKING FOR

- **NGOs with a change mindset**
- **Partners who can test out prototypes**
- **Partners for mutual learning and sharing**
- **Partners who wants to expand their global independent music business network**
